## REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

In the original application papers two Figure 17 were originally submitted. The second noted Figure 17, noted as page 17/25, is replaced by the present response with the proper Figure 19. Replacement Figure 19 corresponds to that replacement Figure 17 on page 17/25 except is labeled as "Fig. 19" and shows "3 Pulse" on the right hand side. Replacement Figure 19 is believed to be clear from the original specification and thus not raise any issues of new matter.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
